

PRAYER PARTNER UPDATE

March 2012

It's astounding when you think of the power humans possess when they work together!

In the book of Matthew, we are told there is great power and effectiveness when even two of us agree together in Jesus' name (Matt 18:19-20).

That's why we are so grateful to share, work, and pray together with you. Here are a few things you can pray about this month:

- You may have heard K-LOVE's Scott Smith talking about Ali, the one-year-old boy in Afghanistan who had surgery on February 28 to correct his cleft palate. Please pray for this precious little boy, his family, and the doctors who performed the surgery. Here's an excerpt from Scott's blog on the day of Ali's surgery:

"Today has been life changing to say the least, I believe we all have those 'Aha Moments' from time to time, today was one of those for me! ... It is hard to imagine that \$1,000 changed little Ali Sina's life... FOREVER! You, the K-LOVE family, did that! You changed a little boy's life today!"

- So far, through the generosity of K-LOVE listeners, funds have been given to help 127 children with conditions like Ali's! Let's keep these kids in our prayers as well as they begin their journey toward physical and emotional healing.
- Finally, pray for Cure International and the great work they do with children around the world. Thousands of K-LOVE listeners have participated in Cure's "Knit Pray Love" campaign. They have been knitting hats and praying for the children who will receive them. Please pray that God's love will be shown to kids and their families through this simple act of kindness.

*"Each time we completed a hat or bootie, we prayed that God would bless them."
~Victoria, K-LOVE Knifty Knitters*

We are so grateful for your prayers. Remember, as we all agree together, there is great power and effectiveness to do the work ... God's work. You and your prayers play an incredibly important part in the lives being changed every day.

Thanks for being a part of the team!
